## Hooks

---

### Peter Martin

We were born with hooks for hands  
eager to pitch boxes for the cause.  
If a box drops, I go harder  
which I know they'd do for me.  
I believe we'll get it done someday.  
I'll get it done myself if I have to,  
then I'll rest from boxes and my  
hooks will do dancing  
way up in trees.  
That's when boxes are done.
